KidZone:

This is a "station-based" event. The children will rotate through 12 safety stations, spending 15 min at each. They will have a passport that will be stamped at each station they attend. If they attend at least 8 of the stations, they will receive a free shirt. If they attend all 12 stations, their name will be put in a drawing for additional prizes. The children will be supervised by volunteers who have passed a police background check, allowing their parents the freedom to attend the adult classes, also offered.

Teen Xtreme:

This is a classroom-style program. There are four 40 min. classes offered. They are each offered at all four times. The students are supervised by police staff, allowing their parents the opportunity to attend the adult classes. The students will be provided with documentation of their attendance, for their school teacher, in case "extra credit" is being offered.

|---------------|---|
| • Crime Lab A | • Science in Police Work - Bomb Team / Crash Team |
| • Crime Lab B | • Make Your Case - How Officers Prove the Case |

Adults Classes:

Classes in a break-out workshop style focus on crime prevention. Select four classes from the list below and attend seminars throughout the afternoon. Although the classes are designed for adults, high school students are welcome to attend.

- **Internet / Financial Crime Safety** - Learn to protect yourself from crimes on the internet. Sponsored by Oregon Community Credit Union.
- **How to Protect Your Home, Vehicle and Property** - Walk-away with information on protecting your home, vehicle, and property. Sponsored by BIMART
- **Senior Safety** - Seniors can become easy targets for fraud, abuse and neglect. This session will address these issues, including what to look for, how to reduce risks and how to report offenses.
- **Disaster Preparedness** - Emergency Management in our community, Wildfires, Earthquakes and Floods. Are you prepared? Meet with City of Eugene Emergency Program Manager, Joseph Rizzi, to find out! Sponsored by Eugene Area Radio Stations

- **Crime Lab** - Learn about the services provided by the EPD Forensic Evidence Unit and hear about how reality differs from what you see on TV.
- **Gangs in Eugene** - Learn to recognize gang-related clothing, graffiti, and behavior in the community, your children's schools, and even your own home. This valuable information will help citizens learn how best to avoid becoming a victim of gang-related crime.
- **Traffic Safety** - Wondering whether you can ride your motorized scooter on the bike path, or ride unsecured in the back of a pickup? Here's an opportunity to ask those burning questions and learn all you need about traffic safety. Sponsored by AAA Insurance Agency
- **Personal Safety** - This is not a self-defense class, but your chance to get valuable tips on personal safety to keep yourself safe.
